Web Developer

As an intermediate-level student with a solid academic background in computer science and proficiency in web development, I am eager to secure an internship opportunity to gain practical experience in the field. Excited to leverage my expertise in frontend technologies like JavaScript, alongside backend languages such as PHP/Laravel and Android(Java), I look forward to contributing to dynamic teams, learning from seasoned professionals, and tackling real-world projects. Committed to refining my practical skills and creating a meaningful impact, I am actively preparing for a future career in web development.

Experience

Feb 2023 - March 2023

NZ Developers | Latifabad.

PHP/LARAVEL DEVELOPER (INTERN)

I successfully completed a PHP and Laravel developer internship, gaining hands-on experience in building dynamic web applications. This opportunity enhanced my technical skills, problem-solving abilities, and insights into web development, including database management and API integration.

April 2023 - May 2023

NZ Developers | Latifabad.

ANDROID APPLICATION DEVELOPER (INTERN)

I completed an Android developer internship successfully, acquiring practical experience in crafting mobile applications. This opportunity bolstered my technical expertise, problem-solving prowess, and understanding of mobile app development, encompassing database management and API integration.

Education

March 2019

City Grammar High School | Kotri

S.SC (COM-SCIENCE)

I am pleased to have successfully finished my high school education at City Grammar High School Kotri with an 'A' Grade in 2019. This achievement signifies my dedication and commitment to academic excellence.

March 2022

Worker Intermediate Collage (BOYS) | Kotri

H.SC (COM-SCIENCE)

I am proud to have completed my intermediate degree from Worker Intermediate College (BOYS) Kotri in 2022 with an 'A' Grade. This accomplishment reflects my dedication and commitment to academic excellence.

March 2021 - April 2024

Aptech Computer Education | Latifabad

ADVANCE DIPLOMA IN SOFTWARE ENGINEERING (ADSE)

Completed the Advance Diploma in Software Engineering (ADSE) program at Aptech Computer Education, Latifabad, Hyderabad. Covered all six semesters with a focus on software development and programming concepts. This comprehensive program has significantly enhanced my skills and knowledge in the field of software engineering.
